Note: Do NOT fold the fabric strips in half when cutting with the rhombus templates. Use only a single layer strip. The templates have registration lines on all four sides as well as 1/4" seam allowance "holes" for marking.

Refer to General Instructions on pages 7-13 and carefully read all Remembering Julia Runner directions before beginning this project.

Quantities are based on 42"-wide fabric. Measurements include 1/4" seam allowances. Sew with right sides together unless otherwise stated.

Cut Rhombus Units

- Place one 3-1/4" x wof strip in a single layer on your cutting mat. Position Template #2 on the strip and cut along the left and right edges to cut one rhombus unit.

- Align the left edge of Template #2 with the angled edge of the strip. Cut along the right edge of the template for the second rhombus unit. Repeat to cut a total of three rhombus units from each assorted print and 12 rhombus units from the beige print.
